I kissed a girl - Katy Perry

Am  C  Dm
This was never the way i planned,
      F
not my intention.

Am  C  Dm
i got so brave, drink in hand,
      F
lost my discretion.

Am  C
It's not what i'm used to,
Dm  F
just want to try you on.

Am  C  Dm
i'm curious, for you,
      F
caught my attention.

-------

Am  C
I kissed a girl,
      Dm
and I liked it.
      F
The taste of her cherry chapstick.
Am   C
I kissed a girl,
Dm
Just to try it.
   F
I hope my boyfriend don't mind it.
Am   C
It felt so wrong,
Dm
It felt so right.
   F
Don't mean i'm in love tonight.

Am   C
I kissed a girl,
Dm
And I liked it.
F
I liked it
------

Am   C   Dm
No, I don't even know your name,
   F
It doesn’t matter.
Am           C         Dm

Your my experimental game,
    F

Just human nature.
Am           C         Dm

It’s not what good girls do,
    F

Not how they should behave.
Am           C         Dm

My head gets so confused,
    F

Hard to erase.

--------

Am              C

Us girls we are so magical,
Dm                   F

Soft skin, red lips, so kissable,
Am             C

Hard to resist, so touchable.
Dm

To good to deny it.
F
Ain't no big deal, its innocent.

Chorus
